## Christine Price Miller, DPM, DMM, PhD, FACCWS

---

### **Professional experience**

#### **Board of Directors (elected term 2020-2023), American College of Clinical Wound Specialists (ACCWS)**

The Board of Directors plans the annual scientific meetings and leads the college forward in all areas of wound healing.

#### **Coaching Fellow, Institute for Healthcare Improvement (IHI), Leadership & Organizing for Change-Open School August 2019-present**

Providing mentorship and support those enrolled in the Leadership & Organizing for Change international program

#### **Medical Writer/Blogger for WoundSource.com, February 2019-present-Regular contributor regarding relevant wound care issues.**

#### **Patient Safety/Risk Liaison for the Orthopedics Department, University of Florida, Jan 2019-present,** responsible for investigating incident reports from the internal IDinc system and implementing improvement initiatives to increase the quality of patient care.

#### **Co-Director Wound Care/Limb Salvage, University of Florida, College of Medicine-Jacksonville, June 2017- present**

Responsible for the care of lower extremity ulcerations with a multi-disciplinary team approach to prevent amputations.

#### **Podiatrist, Community Health Solutions of America, August 2016-May 2017**

This practice provides comprehensive podiatric care with emphasis on wound care and patient safety in long-term care facilities.

#### **Adjunct Professor, History of Medicine, Pan-American University of Natural Medicine & Sciences, July 2016- present**

Designing and teaching a curriculum focused on the history of herbal medicine throughout the centuries into modern medicine.

#### **Medical Historian, Spanish Military Hospital Museum, St. Augustine-Florida July 2015- present**

Provide research assistance and aid in the acquisition of medical & surgical equipment used during the 18th century-2nd Spanish Period in Florida. Perform specialized tours for medical professionals demonstrating the surgical techniques of limb amputation, digital amputation, musket ball extraction, skull trepanation, and dental extraction along with apothecary preparations. (Volunteer-part time)

**Adjunct Clinical Faculty, Department of Orthopedics,  
University of Florida Health System,  
June 2014-July 2015**

Participating in patient care focusing of diabetic education and wound management. Directly involved in resident education and clinical research

**Clinical Post-Doctoral Associate, Patient Safety  
Fellowship, Department of Emergency Medicine  
University of Florida- College of Medicine, July 2014- July  
2015**

Completed a fellowship program designed to gain knowledge in the realm of patient safety in both theory and application, as well in leadership Gained expertise in healthcare quality and simulated education as applied to patient safety and quality improvement.

**Chairman, Department of Podiatric Medicine and  
Orthopedics  
Temple University School of Podiatric Medicine  
February 2011- September 2013**

Responsible for supervising academic schedules for classes within the medicine department, managing faculty vacation and expenses. Coordinating departmental meetings and implementing academic enrichment. This Chair position is in addition to my duties of patient care in the Wound Care Center at the Temple University Foot & Ankle Institute.

**Standardized Patient Program- American Podiatric Medical  
Licensing Exam (APMLE) Preparation.  
Temple University School of Medicine  
January 2010- September 2013**

This program aims to prepare podiatric medical students for the clinical portion (Standardized Patient Program) of the National Board exam. Clinical cases are written, reviewed, and run in collaboration with the Simulation Lab staff. Students participate and are evaluated during these taped sessions to assess clinical and interpersonal skills.

**Director-Clinical Radiology  
Temple University School of Podiatric Medicine  
January 2010- May 2014**

Responsible for planning and teaching Radiology Curriculum for the Third- and Fourth-year medical students. This course covers many

topics such disorders like Infections, Endocrine/Blood Disorders, Arthritis and Bone Tumors. This course prepares the students for the National Boards Part II & III and for Residency Interviews. This is performed through on-line instruction via WebEx.

**Assistant Professor**

**Temple University School of Podiatric Medicine**

**December 2008- May 2014**

Re-designed the Foot & Ankle Radiology course both in lecture and in small group to enhance student performance on the National Board exam as well to help on clinical rotations for 2<sup>nd</sup> & 3<sup>rd</sup> year students.

**Faculty Mentor- January 2013-May 2013 spring semester  
Student retention initiative**

Chosen by the Provost of Temple University to mentor chairmen of departments in the university on best teaching practices. Goal was to increase student success

**Editor-in-chief**

**12<sup>th</sup> Edition Board Review Manual January -March (2012)**

**Goldfarb Foundation**

Responsible for editing the 800-page 38-chapter review guide for board certification in Podiatric Medicine and Surgery

**Professor**

**Camden County College**

**2007- Adjunct**

Health and Wellness Course which covers current public health issues including AIDS, Cancer, STDs, Heart disease and Diabetes.

**Private Practice**

**Burlington-Mercer Podiatry Associates**

**August 2006- August 2007**

This practice is dedicated to the comprehensive care and education of our patients. We strive for excellence in the areas of wound care and limb salvage.

**Chief Podiatric Surgery Resident, Virtua Health System**

**June 2003- July 2006**

The leadership roles of a chief resident include overseeing on call schedule as well as grand rounds. Coordinating and facilitating academic lectures and skills laboratories are a high priority.

**Certifications  
and Memberships**

**2019 The Chartered Society of Forensic Sciences**

**2017 International Association for Identification (IAI)**

**2016 The hospitaller Order of Saint Lazarus of Jerusalem,**  
Dame of Grace.

**2016 Sacred Medical Order of the Knights of Hope**  
Dame of Honor, Cultural Attaché

**2014 National Society of the Daughters of the American  
Revolution.**

Maria Jefferson Chapter, St. Augustine FL (2016- to present, editor of  
the newsletter and as Native American committee chair)

**2012 Fellow of the Provost Teaching Academy (PTA),  
Temple University, Philadelphia PA**

**2011- Board Certified by the American Board of Wound  
Management, as a Certified Wound Specialist (CWS).**

**2011- Fellow of the American College of Clinical Wound  
Specialists (ACCWS).**

**2010-American Society of Forensic Podiatry**

Elected Board Member at Large- 4-year term (2013-2017) and (2018-  
present)

**Opening Conference Speaker, Virginia Podiatric Medical Association Scientific Seminar, Williamsburg VA 2015**  
Topic: Patriots & Physicians: Medical Practices of the American Revolution

**Faculty Seminar Speaker, UF College of Medicine Jacksonville, March 2015**

Topic: Integrating Patient Safety into Clinical Training.

**Conference Speaker- Science & Management Symposium: FPMA, January 2015**

Lecture Topic: Introduction to Forensic Podiatry

**Program Speaker, Daughters of the American Revolution, November 2014**

Lecture Topic-Beyond the Cradle & the Apron: Women's Health in the 18<sup>th</sup> century

**Grand Rounds Speaker- Emergency Medicine: UF COM-J October 2014**

Topic: Tips for Wound Management of the Lower Extremity  
Practical advice for ulcer assessment, treatment, and hospital admission directed toward ER Residents.

**Lead Instructor- Patient Safety Course: UF COM-J September-October 2014**

Facilitated and taught the Patient Safety course which focuses on the theory and principles of Patient Safety, and the need for a team-based approach at looking at safety issues in the current healthcare environment. This course is a mix of didactic and clinical case simulation performed in the UF Simulation Center. All new residents/fellows are required to attend this course from the following disciplines: Internal Medicine, Pediatrics, OB/GYN, General Surgery, Anesthesia, Pathology, Radiology, Orthopedics, Emergency Medicine, Infectious Disease, Psychiatry, Ophthalmology, and Cardiology

**Conference Speaker, Virginia Podiatric Medical Association June 2014 Annual Meeting & Scientific Seminar:**

Life and Limb: Battlefield Medicine & Surgery of the American Revolution.

**Video Poster Presentation 2014, American Association of the History of Medicine, Chicago Conference**

"Lip service" to the suction syringe: NPWT in the 18<sup>th</sup> century".

**Poster Presentation for 2014, Advances in Medical Education, University of Florida, Medical College**

"Implementation of a hybrid approach to improve resident performance

on the American Board of Podiatric Surgery In-Training exam.”

**Poster presentation 2013 St. Andrews, Scotland  
International Association of Medical Science Educators**

“Improved comprehension & retention by the use of small groups/workshops in the Podiatric Medical School Curriculum”.

**Clinical Research**

**Sub-Principle Investigator, Phase 2 Multicenter, Randomized, Double-Blind, Placebo–Controlled, Dose Range Finding Study to Evaluate the Efficacy and Safety of Intramuscular Injection of Human Placenta-Derived Cells (PDA-002) in Subjects Who Have Diabetic Foot Ulcer With Peripheral Arterial Disease, January 2015- July 2015**

University of Florida Health-Jacksonville, Bone and Joint Center

**Sub-Principle Investigator, Phase 3 Clinical Trial to evaluate the efficacy & safety of DSC127 in Diabetic Foot Ulcers, December 2014-July 2015**

University of Florida Health-Jacksonville, Bone and Joint Center

**Sub-Principle Investigator, “A Multi-Center Randomized, Controlled Clinical Trial to Evaluate the Safety and Effectiveness of Integra® Dermal Regeneration Template for the Treatment of Neuropathic Diabetic Foot Ulcers” 2012-2013**

Temple University Foot & Ankle Institute, Wound Care Center

**Education**

**March-May2019- Institute for Healthcare Improvement (IHI), Leadership & Organizing for Change, Open School, 8-week course develops skills in leadership and community organizing to empower change in the healthcare setting.**

**July-October 2018-University of Florida, Professional Development,**

Certification in Healthcare Risk Management (120-hour course)

**December 2016 Sacred Monastic Order, Florida Religious College,**

Doctor of Philosophy (Sacred)

Christian Crusader History & Hospitaller Medical Charity

**January 2016 Sacred Medical Order of the Knights of Hope/PanAmerican University of Natural Medicine**

Doctor of Monastic Medicine (DMM)

**July 2015-Patient Safety Fellowship**

**Department of Emergency Medicine**

**University of Florida- College of Medicine, 2014-2015**

Completed a fellowship program designed to gain knowledge in the realm of patient safety in both theory and application, as well in leadership Gained expertise in healthcare quality and simulated education as applied to patient safety and quality improvement

**June 2012 Temple University, Certificate Program in Virtual Teaching, Philadelphia PA**

Certified in on-line teaching applications such Wimba and WebEx.

**May 2012- Temple University Leadership Academy Philadelphia, PA**

Nine-month program targeted to a select few for-leadership skill development by the Dean of each school within the university.

**May 2012 Temple University, Philadelphia, PA Teaching in Higher Education Certificate/Graduate Program**

Program focused on pedagogy and best teaching practices in higher education

**June 2003 – July 2006 Virtua West Jersey Health System (PSR-36) Camden, NJ Surgical Residency Program**

This three-year residency program is comprised of diverse training in forefoot and rear foot surgery, hospital care, emergency room coverage, and advanced wound care.

**August 1999 – May 2003 Temple University School of Podiatric Medicine, Philadelphia, PA**

Doctor of Podiatric Medicine

**August 1995 – May 1999 La Salle University, Philadelphia, PA**

Bachelor of Arts/ Biology

Alpha Epsilon Delta Honor Society member

**Awards**

**2019 Outstanding Chapter Chair (Southeastern Division)- Native American Committee, Daughters of the American Revolution (DAR)**

**2019 Excellence in Community Service Award, Daughters of the American Revolution (DAR)- Maria Jefferson Chapter**

**2019 Leadership and Organizing for Change Alumni Contest Winner, Institute of Healthcare Improvement (IHI)**

**2015 Grant Recipient of the W. Martin Smith Interdisciplinary Patient Quality & Safety Award-**

**University of Florida-Self Insurance Program  
Project “Shooting for the Stars: Promoting a Just Culture  
& Better Communication in Patient Safety”.**

**2013 “Teacher of the Year” from the Class of 2015 for  
outstanding teaching and dedication to the student body.  
Temple University School of Podiatric Medicine**

**2012 “Outstanding Faculty Service Award”, Office of the  
Provost, Temple University, Philadelphia PA**

**2012 “Teacher of the Year” from the Class of 2014 for  
outstanding teaching and dedication to the student body.  
Temple University School of Podiatric Medicine**

**2012 “Night Owl Award Recipient”, Office of the Provost,  
Temple University, Philadelphia PA**

**Special  
Interests**

Military history with an emphasis on the medical & surgical practices of  
the American Revolutionary War, and the radiographic aspects of  
Forensic Podiatry
