

LOC TPS FLCHE Grant Lesson Plan Homework Due 9/19/19

Your assignment is to create a lesson plan using Library of Congress resources, historical thinking, and different strategies you've learned from the past workshops (quartering, close reading, analyzing photographs, etc.)

Must haves:

- At least one primary source from Library of Congress
- At least 2 social studies standards
- At least 2 ELA standards
- Use the given LOC TPS FLCHE Lesson Plan Template

Helpful hint:

If you are having trouble finding a source on LOC, remember to try different wording. For example: I was looking for a St. Augustine 1964 photo. Here are some of the different search scenarios I tried- *Florida 1964, civil rights 1964, St. Augustine civil rights, St. Augustine 1964, pool St. Augustine*, etc. I eventually got what I wanted, but it took some time and determination.
